How much did we raise last year?

Last year we raised £18,000 which went towards the continuing support of Tetekela Day Care Centre which we built in 2000 in Northern Zambia. Whilst we have handed over the day to day running to a local organisation, we still provide the money for the daily food budget, we also provided 50/50 funding with Jersey Overseas Aid for a nursery school ablution block and another classroom at Kasenga School. This year we intend to build more classrooms and provide text books and desks for the school **Thank you for your support!**
